

An industry leader for high-tech, automated, environmentally controlled greenhouses, ALPS provides turn-key solutions for facility design, engineering, construction, support, maintenance, security, cultivation and genetics. ALPS also provides consulting and assistance with meeting GACP cultivation and EU GMP certification requirements.

MAINTENANCE SUPPORT SPECIALIST I

ALPS is currently recruiting Maintenance professionals to join our rapidly expanding team. Based in Burlington, ON, this **Maintenance Support Specialist I** will work with our Maintenance and Automation Team on various projects. This role includes both remote and onsite support, with some travel required.

MAIN RESPONSIBILITIES

- EAM / CMMS implementation support, including project management, integration support, application training, functional troubleshooting and overall systems support.
- Provide remote user based training
- Generate recommendations and aid with development and implementation of preventive maintenance programs, system metrics, and parts inventory management
- Organize client data related to locations, equipment and type and work with software vendors for upload into the software
- Other duties as required

KNOWLEDGE, SKILLS AND ABILITIES

- Above average knowledge of Microsoft Office (i.e. Word, Excel, Outlook, etc.)
- Ability to establish excellent business relationships with key suppliers, clients, business associates and stakeholders.
- Ability to prioritize tasks and use time effectively to set action plans to achieve business targets.
- Ability to create a positive, safe and productive team atmosphere.
- Able to follow and uphold standard operating procedures precisely and consistently and identify opportunities for continuous improvement.

EXPERIENCE AND EDUCATIONAL REQUIREMENTS

- At least 3 years' experience in industrial or facility maintenance, reliability or operations role with a good understanding of asset management and equipment hierarchy
- Experience with CMMS applications, setup and deployment.
- EAM or CMMS deployment experience as an administrator or user.
- Experience at responding to complex and stressful situations and resolving issues positively.

Interested candidates are encouraged to apply with their cover letter and resume to: hr@alpsmj.com. We would like to thank all applicants for their interest but only those selected for an interview will be contacted.

ALPS is an Equal Opportunity Employer. We are committed to doing business inclusively and accommodate applicants with disabilities. If you require accommodation throughout the recruitment and selection process, please contact our Human Resources Team.
